Past:

- ▶ In 2009, Continental Savings Bank, founded in 1914 and West Bend Savings Bank, founded in 1926, merged to form a new entity - **westbury bank**
- ▶ Strategically recognized strengths and weaknesses to right-size our organization
- ▶ Did not rely on government bail-outs and worked independently through the economic downturn of “The Great Recession”
- ▶ Strengthened our management team and empowered our employees with a focus on the future
- ▶ Completed an initial public offering on April 9, 2013 raising \$51 million of capital (NASDAQ@/WBB)

Present:

- ▶ Strong balance sheet and capital position securing your deposits
- ▶ Big bank experience within a community bank atmosphere
- ▶ Employee-owned organization with quick, local decision making-honoring the “Golden Rule”
- ▶ Driven to provide creative financing packages based on individual business needs that coincide with our entrepreneurial spirit
- ▶ Focused on assembling a professional, experienced team
- ▶ Refinement of product offerings, maintaining simple and cost effective products sought after by business people
- ▶ Commitment to invest in latest technology to meet the needs of our customers
- ▶ View every contact as an opportunity to establish a long standing relationship
- ▶ Continuing to explore expansion of existing footprint

Future:

Starting a relationship with you and your business!

Greg Remus
President | COO

“Over the last 6 years, Westbury has developed into a strong financial institution. As we grow, we look forward to you and your business becoming valuable business partners.”
